[Your business] provides holistic planning and implementation tailored to accomplish the goals of multiple government and military projects. [Your business] has dedicated itself to educating, recruiting and training native and non-native speakers to operate successfully in foreign cultures. We provide cultural awareness training, military education/training, role playing exercises and language translation services to individuals and groups of any size. This includes pre-mission appraisal and planning, on-site organization and post-mission evaluations. We leverage our strong ties in ethnic communities to staff scenarios with precision and speed. We focus primarily on Near Eastern and South East Asian cultures and languages including: Arabic, Dari, Farsi, Pashto and Urdu.

[Your business] has a vast amount of experience and can write scenarios for almost any mission, whether for a few hours or a few weeks. We have retired military personnel ready to work with any branch of the military on developing and executing any scenario including preparation for specific missions. [Your business] can develop custom tailored curriculum, training materials, role playing exercises and work side by side to develop the project to meet the goals of the contract.
